

# 5V 12A 10-port 60w charger

SKU:

EAN:

## FEATUES

### ●Excellent plug

Aluminum alloy with good conductivity, fast charging, built-in smart chip to intelligently match current, single-port charging supports a maximum current of 2.4A

●Occasions of use: daily life, business office, business trips and travels. Equipment used: smart phones, tablet computers, Bluetooth speakers, mobile power supplies, DV, digital cameras

●Intelligent and fully compatible, it can be used with both mobile phones and tablets. Simple design style, the curved shell provides a dormitory grip, and is made of superior PC+ABS environmentally friendly materials, which is heat-resistant, high-temperature-resistant, strong and wear-resistant.

## SPECIFICATION

Input	100-240V 50/60Hz 0.5A MAX
Total Output Current	5V/12A
Single Port Output Current	5V/2.4(Max)
Material	PC+ABS
Colour	Black / White
Ports	10*USB Ports
Plug	US.EU.UK.AU.KR
Weight	300g
Product Size	112*68*26mm
Package Size	155*120*40mm
