

Adjustable Keyboard Piano Stand

SKU:

EAN:

FEATUES

- Double keyboard stand, suitable for keyboard, digital piano, guzheng and synthesizer, etc.
- Universal and more convenient, it can be used for electronic pianos of various brands. Installation does not hurt your hands, easier and faster
- Screw fixing strap, according to different types of keyboards, there are 4 holes on the keyboard to fix it to adjust the tightness. The keyboard stand is detachable, takes up less space and is more convenient to carry
