Desktop blade cutter & printer

SKU: 0210001   EAN:

Edis

FEATUES

●Our desktop engraver, cutter and all-in-one printer supports multi-mark automatic correction, multi-mark recognition, and recognition of a variety of shapes of MARK points; Support automatic edge cutting and repeated cutting, off-line contour cutting, minimal error; Ultra-high cutter pressure, adjustable 160-level pressure value, visual adjustment of the whole process;

●USB connection, no driver required

The cutting printer has high-strength long life steel spines and a large knife that cuts the material   without deviation. (cutting machine with aluminum knurled shaft suffer from grinding flats into the   shafter, causing the material to slip)

●The built-in HD camera, single-blade design automatically positions MARK points, and automatically calibrates, compared with the traditional infrared positioning technology, the whole process does not need to repeatedly adjust the X,Y axis error value on the software, visual adjustment on the touch screen, is easy to use, the operation is very precise.

●Built-in WIFI module

LAN sharing enables remote firmware upgrading and other functions. The main body has a high-precision design, low noise, and high-intensity aging test to ensure stable performance under long-termuse. Support SignMaster, SignCut, Flexi, Wentai and other mainstream engraving software.

●Supports a variety of special materials cutting attributes (such as flexible fabric, reflective materials, white background materials, transparent material   etc.), engraving supports firmware remote one-click upgrade, very convenient.

SPECIFICATION

Model	10 inch	16 inch	24 inch
Acceptable media width	370mm	500mm	720mm
Max cutting width	260mm	390mm	610mm
Max contour cutting width	220mm	220mm	220mm
Max force	800g	800g	800g
Max cutting thickness	1mm	1mm	1mm
Number of heads	1	1	1
Floor stand	No	No	No
Auto contour cut	camera	camera	camera
CorelDRAW directly	yes	yes	yes
Power supply	24V 1.5A	24V 1.5A	24V 1.5A
Laser engrave option	yes	yes	yes

Scratch engrave tool option	yes	yes	yes
Packing size	640*310*265mm	770*310*265mm	1000*310*265mm
Packing gross weight	9kg	11kg	14kg
Operation	4.3" TFT LCD Large touch screen(CBH 5")	4.3" TFT LCD Large touch screen(CBH 5")	4.3" TFT LCD Large touch screen(CBH 5")
Motor	stepper	stepper	stepper
Max moving speed	750mm/s	750mm/s	750mm/s
Max cutting speed	600mm/s	600mm/s	600mm/s
WIFI	Support (option)	Support (option)	Support (option)
Processor memory	128MB	128MB	128MB
Cutting precision	+/- 0.01mm	+/- 0.01mm	+/- 0.01mm
Repeat precision	0.082 mm	0.082 mm	0.082 mm
Connector interface	USB flflash/WIFI(option)/USB cable	USB flflash/WIFI(option)/USB cable	USB flflash/WIFI(option)/USB cable
Color	White/Red/Green	White/Red/Green	White/Red/Green
