

# Dual Lens Handheld Action Camera

SKU:

EAN:

**Edis**

## FEATURES

### ● 4K Front and Rear Cameras

Supports simultaneous recording with both front and rear cameras at 2K resolution.

### ● Wireless Connectivity to Mobile Phones

Portable action camera with 4K high-definition image quality, 1.5-inch IPS high-definition screen, 180° left and right rotation for recording, and a long 2000mA battery.

### ● 180° Lens Rotation

Adjust the angle freely to capture every moment.

### ● Wi-Fi Connectivity

Supports video transfer to your phone via app. Efficient transfer, lossless image quality, and automatic loop recording. It automatically overwrites the oldest recording when the memory is full, so you don't need to worry about running out of space.

### ● 130° Wide-Angle

Fisheye lens with night vision function, live photos showcasing vibrant life. A small device easily captures professional blogger-level image quality. It only needs a pocket to hold your boundless passion.
