SKU: 0110133

EAN: 5060848901032

## FEATUES

EA133 5 Watt USB desktop speakers are superb for working from home providing clear speech and high quality sound. The thick three-layer piano paint creates a stunning finish and improved speaker life and sound, two speakers fit snugly either side of your laptop or monitor. 1.5-inch high-fidelity horn speakers with high-performance black silk covering. The power amplifier IC creates excellent quality sound and higher power output levels. The non-slip, shock absorbing, environmental protection base cushions the sound which enhances sound quality.
