EA172 Desktop Speakers

SKU: EAN:

FEATUES

●Two-Way Stereo Design

A four-driver, 2.0-channel configuration—featuring 3.5-inch woofers and 1-inch silk-dome tweeters—designed for desktop audio playback.

●30W RMS per Channel

Delivers 30W RMS per channel, suitable for use with computers, mobile phones, portable audio players, keyboards, and headphones. Supports wireless pairing via Bluetooth v5.4 (with AAC and SBC codec support) as well as wired connectivity.

●Wide Frequency Range

Covers 68Hz to 22kHz, accurately reproducing low, mid, and high-frequency content for music and media. Housed in a wooden cabinet and powered by an AC 100–240V supply; available in orange, white, blue, black, and yellow.

SPECIFICATION

Amplifier Type	Dual class D
Output Power	30 W RMS per channel, AES
Drivers	3.5" woofer, 1" silk dome tweeter
Inputs	1/8" /3.5mm stereo mini-jack, 1/4" / 6.35mm stereo jack, RCA, USB/Bluetooth
Output	RCA Sub-out
Power Requirements	100-240 V 50/60 Hz auto-switching
Signal-to-Noise Ratio (SNR)	>85 dB (typical A-weighted)
Total Harmonic Distortion (THD)	<0.05% at all power settings
Channel Separation	<60 dB
Frequency Response	68 Hz - 22 kHz +2.0 dB
Input Impedance	10K ohms unbalanced
Protection	Output current limiting, thermal over-temperature, power on/off transient protection
USB Connection	Type-C USB Audio
Operating Temperature	0-50°C
Input Bit Depth	Up to 24 bits native
Input Sample Rate	Up to 48 kHz native
Headphone Output Power	155mW
Bluetooth Version	Bluetooth 5.4
Supported Codecs	AAC, SBC
Wireless Range	Up to 100 ft (30 m) typical
Input Bit Rate	Determined by Bluetooth

Dimensions (each)	9.65" (H)x 5.51"(W)x6.89" (D)
Weight (Left Speaker)	2.26 Kg /4.98 Lbs
Weight (Right Speaker)	1.87 Kg/4.12 Lbs
Shipping Weight	5.9 Kg /13.01 Lbs per pair
Shipping Dimensions	12.6" (H) x 14.8" (W) x 10.24" (D)
