FEATUES

●This portable air conditioner is designed for spaces ranging from 18 to 24 square meters (193 to 258 square feet), making it ideal for small to medium-sized areas such as apartments, bedrooms, offices, hotel rooms, and RVs. It is easy to move, featuring a base equipped with 360° universal casters. ●Five-in-One Functionality Choose from five operating modes: Cooling, Heating, Dehumidifying, Fan-only, and Auto. It includes a 24-hour timer, is simple to install, and features a dedicated drainage hose. The dehumidification and drainage systems are separate, ensuring no water leakage during cooling operation. ●LED Display Equipped with a full-function remote control and an LED display, the unit also features convenient power cord storage, an auto-closing air vent, and anti-freeze protection. It operates on a 220V / 50Hz (EU standard) power supply and has an operating noise level of 64 dB.
