

EAC148 Portable Air Conditioner

SKU: 60010148 EAN:

FEATURES

- **Portable Design**
Easy to move between rooms—perfect for bedrooms, small offices, and various other spaces. Offers five key functions: cooling, heating, ventilation, dehumidification, and air purification. Delivers reliable performance with stable cooling output, free from unnecessary fluctuations.
- **Dual-Duct Design for Enhanced Cooling Efficiency**
Features independent dehumidification with a dedicated drainage outlet. No manual drainage required during cooling mode. The dual-duct system doubles cooling capacity and improves temperature control efficiency. Includes overcooling protection. With a 2000 BTU cooling capacity, it provides powerful performance to effectively lower room temperatures.
- **24-Hour Timer**
Equipped with 3 adjustable fan speeds, an LED touchscreen display, and an eco-friendly refrigerant. Includes a smart infrared remote control. Cooling temperature is adjustable from 16°C to 31°C. Features fully automatic horizontal oscillation (swing) and a multi-indicator visual display.
