SPECIFICATION

| | |
|-------------------------|----------------------------|
| Communication | Wireless |
| Type | Dynamic Microphone |
| Frequency Response Rate | 20Hz-20KHz |
| Product Keywords | microphone |
| S/N ratio | 79DB |
| Transmission distance | 40m |
| Charger | 5V/1A |
| Battery Capacity | 90mAh |
| Materia | Plastic, ABS |
| Polar Pattern | Omni-directional, Cardioid |
| Signal To Noise Ratio | 79dB |
| Maximum SPL | 130dB |
| Sensitivity | -42dB±2dB |
| Keyword | conference microphone |
| Use time | about 6 hours |
| Frequency Range | 20Hz - 20KHz |
| Output power | 5W |
| Charging interface | Type-c |
