

EC229 Document Camera

SKU: 0200229

EAN:

FEATURES

● Portable and Compact

Measuring 42 × 33 × 44.5 cm, the unit features a compact design that saves space. Its portability ensures easy transport and setup, allowing for rapid deployment in classrooms and training centers to meet diverse teaching needs.

● High-Definition Imaging

Equipped with a 6-megapixel camera, it delivers clear, high-resolution images. It features versatile connectivity options—including USB 2.0, VGA, and HDMI ports—and serves as a visual aid to facilitate efficient classroom instruction.

SPECIFICATION
