EC57-14 Desktop PC

SKU: 0200157   EAN:

Edis

FEATUES

●Designed to be simple

The EC57 Desktop PC is designed to simplify everyone's life whether at school, office or at home. It's portable, can be fitted unobtrusively and safely behind a monitor or on or under a desk or work surfaceu so reducing workspace to a minimum. Ugrading the hardware is a breeze.

●Fast heat dissipation and multiple configurations

Metalic case, multi-sided cooling design with fan cooling for longer life and better heat dissipation. Includes Intel Chip: i3-9100 9th generation, choice of DDR4 4GB up to 32GB, Msata SSD 64GB up to 512GB, 2.5 " HDD 500GB up to 2TB to meet every possible requirement that you might have from low cost to high performance

●Versatile PC experience

Powerful performance, Your work can depend on the reliability and speed, built for security and reliability

SPECIFICATION

Chassis	
N.W	1.3KG
Dimension	185*175*40mm
Processor	
CPU	Intel: i3-14100 14th Gen, 4 core, 8 threads, frequency: 3.5GHz-4.7GHz
Graphics	
GPU	Intel® UHD Graphics 730
CPU cache	12 MB Intel® Smart Cache
RAM	
Computer memory	DDR4 16GB/32GB
SSD/HDD	
Computer storage	M.2 NVME SSD 256GB
I/O port	
Switch	1* Power switch
Audio	1*MIC+*SPK 3.5mm
LAN	1*RJ45, Gigabit LAN
Display	2*DP 1.4, 1* HDMI 2.0
Power	1*power input port
WIFI	WIFI 5/ WIFI6 (optional)
USB	5*USB3.2 Gen1, 4*USB2.0, 1*Type-C
Kensington	Support

COM

Reliability

Installation	screen mount/Stand
Working Temp	0℃ ~ 45℃
Storage Temp	-20℃ ~ 60℃
Humidity	5%-90% relative humidity, non-condensing
Cooling	Cooling system with fan
Warranty	1 year full warranty
