

# EC60 Podcast Media Kits- Sound Card

SKU:

EAN:

## FEATUES

- This product is a professional singing live mixer,
- Built-in digital DSP chip: support all live broadcast platform, support mixing switch, simple input mute control, reverberation melodies, text quality shouting wheat, special effect sound
- TYPE-C computer connection, perfect to solve the diverse needs of mobile phone and computer live users

## SPECIFICATION

### Sound Card

|                         |                                                                            |
|-------------------------|----------------------------------------------------------------------------|
| Channel system          | Double channel                                                             |
| Output sampling rate    | 44.1KHZ                                                                    |
| Sampling bits           | 16bit                                                                      |
| Weight                  | 360g                                                                       |
| Knob                    | 7 piece                                                                    |
| Button                  | 31 piece                                                                   |
| Size                    | 198X123X42mm                                                               |
| Indicator               | 72 piece                                                                   |
| USB and live interface  | Digital communication/charge/live accompaniment                            |
| Audio interface         | Accompaniment, musical instrument, earphone, headset, condenser microphone |
| Capacity                | 1200mAh                                                                    |
| Electricity consumption | 220mA                                                                      |
| Charging voltage        | DC 5V                                                                      |
| Charging current        | 1A                                                                         |

### Sound Card
