

Multicolor LED Non-blinking Mini Lights

SKU:

EAN:

FEATUES

- Mini LED Lights Perfect for illuminating wedding paper lanterns, DIY crafts, flower arrangements, garlands, bouquets, bridal ensembles, table decorations, centerpieces, candles, vases, and balloons. The hook on the bottom allows for easy hanging with string or connecting with wire. Simply twist the base to turn on for easy use
- Waterproof, high-brightness, and flicker-free, they can be used indoors and outdoors. They're perfect for decorations at parties, weddings, birthdays, hotels, anniversaries, restaurants, Christmas, Halloween, lounges, bars, and more. Each bulb lasts 4-72 hours, with 72 hours of illumination and 4 hours at optimal brightness
