

# Professional alto saxophone

SKU:

EAN:

## FEATURES

- The electronic wind instrument features 27 sounds and two fingerings (saxophone, flute) with three blowing sensitivities. It includes a built-in 3W high-fidelity speaker, Bluetooth MIDI/audio, and a 3.5mm audio interface. It is powered by an 800mAh lithium battery, supports multiple power sources, and is CE and RoHS certified.
- Enhanced playability, GEN2 MIDI keys provide greater sensitivity and accuracy, ensuring a dynamic and expressive playing experience. Visual feedback, color backlit pads provide intuitive visual cues, enhancing performance and creativity.
- Expanded musical range, semitone shifting and high/low octave options enable versatile exploration of melody and harmony. Intuitive control, use the joystick control to navigate seamlessly, while the auto-accompaniment function adds depth and complexity to your productions.
